TESTIMONIALS

Delicious!

From the moment I emailed Wendy, she was quick to respond and stayed in constant communication with me. Our wedding cake was exactly what I had envisioned, and it was delicious!

We had our cake consultation yesterday and it was amazing! It well exceeded our expectations! The ladies are super sweet and accommodating. Now the cake....so good! It was hard to choose a favorite they were all amazing with great flavor and moist! We are so excited to use them for our special day!!

I ordered my wedding cake through Sweet Paige Baking Co. The cake was beautiful and delicious! All my guests kept asking where it was from and going back for seconds. I should have got a bigger cake because I'm pretty sure it was gone in under ten minutes. I also had very good communication and response during the whole ordering process. It was a great experience, and I will be ordering more from this company!
