

Wedding Videography Quick Facts

I would like to say congratulations on your wedding day and thank you for showing interest in Strobel Entertainment. My name is Jed Strobel and I would be your videographer on your wedding day. Depending on the timeline of your day I might bring along a second shooter, this is at no additional charge to you and I always let you know ahead of time. Here is a little bit of information on how some of my packages work and the services that I can provide you. Keep in mind I can customize a package just for you and these are general guidelines, therefore prices may vary depending on your specific requests. I understand that every couple is different and they might want something different. If you have any creative ideas or something specific you had in mind in regards to your video, please reach out to me and let me know!

Package Options

- **Basic Package:** This includes 4 hours of consecutive filming with multiple camera angles, this time can be started whenever you choose. The final video will highlight the day's most special moments and will be 3 minutes long minimum, depending on footage. The video will include music, titles and audio from the day as well. The video will also include drone footage from the day, weather and location permitting. You will receive a link to access the video for unlimited downloads and shares via Vimeo. The cost of the Basic Package is \$1,550.
- **Full Package:** This includes 6 hours of consecutive filming with multiple camera angles, this time can be started whenever you choose. The final video will highlight the day's most special moments and will be 5 minutes long minimum, depending on footage. The video will include music, titles and audio from the day as well. The video will also include drone footage from the day, weather and location permitting. You will receive a link to access the video for unlimited downloads and shares via Vimeo. The cost of the Full Package is \$1,895.
- **The Extra Package:** This includes 10 hours of coverage with multiple camera angles, this time will start whenever you choose. The final video will highlight the day's most special moments and will be 7 minutes long minimum, depending on footage. The video will include music titles and audio from the day as well. The video will also include drone footage from the day, weather and location permitting. You will receive a link to access the video for unlimited downloads and shares via Vimeo. The cost of the Extra Package is \$2,395.

Add On Option: Raw Footage of the Day - \$150

- All packages includes the price of editing. On average I spend 60 plus hours editing a video depending on the amount of footage filmed.
- All packages also include the price of a music license.
- An additional hour of filming can be added to any of the packages listed above for \$175.
- A non-refundable deposit of \$250 is required to reserve the date. This deposit is deducted from your total end cost. I accept Venmo or cash/check.
- If your wedding is within 60 miles of Baraboo, WI, there is no travel cost. Any additional mileage outside of that 60 miles costs \$0.50 per mile. If the event is over 120 miles away, I may charge for a hotel room as well.

Many videography companies tend to mass produce one product. My intention is to create something that is unique to every couple's special day and to really capture each couple's unique personality.

If you have any questions or concerns please reach out to me! I would love to assist in any way that we possibly can. I hope that you consider Strobel Entertainment for your wedding day. My wife and I got married 4 years ago, and we know how crazy it can be! My goal is to make it as relaxed and simple for you, so you have one less thing to worry about on your big day. I am looking forward to hearing back from you!
