About the Venue

Painted Lakes provides stunning weddings no matter what the Texas weather dishes out. The wedding barn is located on top of a hill overlooking a duck pond at the foot of the hill with lights and romantic atmosphere. The climate-controlled barn was built in 1927 and was The Feed Store in Bryson. The barn is 4,000 sq ft with an attached 3,000 sq ft covered patio perfect for dancing or a wedding in inclement weather. The property is situated on 500 beautiful acres outside of Bryson, Texas near Possum Kingdom and Graham.

We are set up as a destination wedding site where our wedding parties can stay onsite with additional cabins available for parents, grandparents, or additional guests. Our weekend wedding package enables up to 30 guests to stay onsite and enjoy the weekend instead of stressing to crunch the wedding into one day. Our cabins are unique and setup as an old West storefront, and there is a fire pit, fishing, hiking, games (such as corn hole and horseshoes) and more. Enjoy the peace of a country wedding, with no limitations on noise and lots of flexibility. We provide the bartender service, and the bride and groom provide the alcohol for the bartender to serve. Guests are not permitted to bring coolers or BYOB.

We provide cabins and we partner with local hotels to bring you discount pricing. We also offer the Pony Express option which is a round trip to and from the venue for guests staying at local hotels.
