_____ Payments are processed via PayPal invoice or Venmo. Full payment for all services is due 14 days before the date of service. *Cancellations must be communicated in writing at least 14 days before the date of services.* Cancellations after 14 days will incur fees:

2-7 days out from Wedding date	\$50 per appointment fee
Day before or Day of wedding	NO REFUND

Fees will be deducted before refunds are issued.

_____ Deposits are non-refundable, except in the event of a natural disaster (hurricane or weather conditions that prevent your travel to Ocean Isle or weather that is too dangerous for the team to travel in) or closure mandated by the government (such as COVID-19 shelter in place order).

_____ ***NO REFUNDS after services have been rendered. If there is an issue with any services, let the team that is on site know BEFORE they leave.*** They will be happy to address and fix any issues.

_____ Additional fees may apply to bookings on holidays, holiday weekends, locations outside our normal service area, or at times outside of normal business hours (before 10am or after 5pm).

_____ To expedite your appointments, everyone should have *completely dry hair (unwashed is preferable), faces free of makeup, and pictures of the style or look they would like.* Please note that any pictures are for INSPIRATION ONLY. We may not be able to recreate the look you select exactly like the picture. If your hair isn't the same length, texture, thickness, or color, your style will not look exactly like the picture. If your skin tone and texture are not the same as the pictured model, your look will be different. Blowouts are not available on site.

_____ The Squad will need access to a table, 2-4 chairs, working outlets, and natural lighting. Dining rooms or larger spaces are ideal. Traditional hotel rooms are not acceptable work spaces because of the limited space and access to table, chairs, and outlets. Hotel suites or condos are acceptable.

_____ The team will arrive 15 minutes before your start time to set up. At your scheduled start time, a minimum of 2 people need to be available and ready to start hair and makeup every 30 minutes of your scheduled time.

PREPARATION Timeline

4 to 12 months before: Book your hair and makeup appointments.* In coastal NC and SC, April-October is peak wedding season. Book well in advance to secure the date and time you'd like.

****To book your wedding, you must know the date, time and location of ceremony, number of people in your party and the services they need.***

We book multiple weddings per day and on a first come first serve basis. Allotting enough time for your party and travel is crucial.

One-Two Months before: Schedule your hair and makeup trials (in-salon only at 6934 Beach Dr SW Suite 5, Ocean Isle Beach, NC).

Two Weeks before: ***All appointments must be confirmed via email and all final payments are due.*** This is the last opportunity to cancel any appointments without a fee (\$25 per appointment cancelation fee).

The week before: Book any color services you plan on having done. Prevents any noticeable regrowth, yet allows for time for corrections if need be.

The day before: ***Wash and blow dry their hair the day before.*** Use minimal product, and do not use a flat iron or curling iron on your hair, as it will keep your hair from holding your style.

The day of the Wedding: ***Hair should NOT be washed this day,*** as the formal styles are best created when working with a day's worth of your natural oils. (However, more than one day's worth of natural oils will have an adverse effect). Should anyone with fine hair feel as though they must wash their hair the morning of, ***hair must be completely dry before your appointment.*** Extra time for blow drying is not allotted when scheduling. Have ready any pictures or ideas you would like to use as inspiration. Please be sure to wear shirts that do not go over your head and do not have collars. Individuals receiving makeup services must have a freshly washed and moisturized face (free of all makeup).

Please be sure to be ready on time for your appointments, as this will be a very busy day. We ask at least half of party to be present at start time. The remaining party members may arrive no less than a half hour after start time.
