BAR DETAILS

- With open bar packages, we can make an array of cocktails with in-house mixers and garnishes below.
- Take a classic cocktail and make it your own - Sometimes its easiest to take one of your favorite drinks and give it a personalized name for your big day.
- Consider the weather: if your wedding is in the warmer time of the year, drinks that are light and refreshing are great choices!
- Although complicated drinks are fancy, they can take longer to make and potentially slow down drink service, signature cocktails that can be made quickly and appeal to many people are always a huge hit!
