## THE CART

### WEDDING PACKAGE

\$300

- Covers our travel, set-up, and tear-down
- Includes 4 event hours
- Custom cup stamps for your wedding
- Private coffee tasting before the event
- Crafting your own espresso drink that is exclusive and personalized for you and your big day

### PER GUEST COST

\$6 per guest

To simplify things for you and your guests, we charge for the total guest count at your wedding. This means that while we are set up, getting a drink is as simple as placing an order, no payment necessary.

### EXTRA EVENT HOURS

\$50 per hour

Need extra time at your wedding for your favorite cup of coffee? Add as many hours as you need

### COFFEE GIFT BAGS

\$10 per bag

Want to gift your wedding party with something special? These 8 oz bags are perfect! (make sure to grab yourself a few too!)

### PRIVATE COFFEE TASTING

Included with all wedding packages

We want to ensure you get the best coffee experience at your wedding; that process starts beforehand with something we call in the industry as a coffee cupping. Cupping is a standard way to taste coffee worldwide and can help us find the perfect bean to use in your favorite drink. We use the information we find in this cupping to source a coffee specifically for your wedding day.
