MEET KAYLEIGH

I'm Kayleigh, the owner of Kayleigh Grace Photography. I love being able to share in the love of two individuals and feel blessed to get to work with such wonderful people each day!

Based out of Alabama, I've been shooting weddings for 6 years now. There isn't a day that goes by that I don't have my camera.

I started my business when I was just 18. Starting a business so young was quite difficult but I had/have the best support system ever. Jacob, my now husband -- bought my first professional camera for me. He still jokes to this day that I need to pay him back for it *insert eye roll*. I now have a successful full time business 8 years later. It has been a long journey with lots of struggles and bumps along the way, but I couldn't be more thankful with where I am now with my business.
