"You won't regret hiring Pinnacle Productions! Chris, Jeff, and their entire team are absolutely amazing at what they do. Not a single detail will be missed, and they go above and beyond to ensure your event is absolutely amazing and top-notch. Our wedding day was seriously the best day ever, and we will spend our entire lives trying to top our dance party. We would absolutely hire Pinnacle Productions again. INCREDIBLE!"

—Maddy Bauman 8.22.20 🏰

"We were more than pleased with how Josh @ Pinnacle Productions DJ'd at our reception and how he kept the flow going all night! There was never a dull or awkward moment, he was professional and read the crowd. From our grand entrance, thru speeches and dinner, and into the dance - Josh was upbeat and made sure our guests knew what was going on."

—Heather Fuller 7.7.18 🏰
