

WEDDING CATALOG

Hello and welcome.

My name is Joshua Rose and I am so excited that you are here! Congratulations on your wedding. I want to thank you for taking the time to inquire more about my photography. I specialize in modern & romantic wedding photography & elopements. I love telling stories through thought provoking, genuine, and emotional imagery. I treat every wedding as if it were my own, whether it's a full day event or an intimate elopement; I will be there to tell *your* story. With my calm demeanor and years of professional experience by your side, I strive to capture heartfelt moments that are authentic, real, and display your love for one another, not just traditional poses. I would be honored to photograph one of the most precious days of your life with open arms, my eye for detail, and a smile on my face. If this sounds like something you and your loved one would be interested in, I urge you to say hello. I can assure you that we will create something incredibly special for years to come.

DETAILS

Lets get down to the nitty-gritty; I love photographing weddings. They are incredibly beautiful, intimate, tear jerking, romantic, awe-inspiring, and life changing. And therefore I hold my job with a very high regard of professionalism and responsibility. I love what I do because I get to create in a space full of love, life, and positive energy. I get to meet the most amazing couples and families, and connect with people at such a genuine level. I may feel like a fly on the wall at times documenting your day, but I am never shy to give out hugs, shake hands, and make those around me feel welcomed and comfortable. In addition, I capture amazing moments that last forever. When you book with me, you're not only getting a photographer, you're getting a friend, and that's why I love what I do.

Process

Every wedding is different. Some are small. Some are large. No matter the craziness of the big day, I'll be by your side. What I expect from you: to be yourself and to have the most fun you could have on the most exciting day of your life. What to expect from me: lots of smiles, a calming and go with the flow personality, and a keen eye for capturing the raw story behind the scenes, making your wedding day come to life.

How to book

To reserve the wedding date, I require a signed contract and 50% of the total fee as a retainer. The second 50% is due one month before the wedding day.

Get in touch

I am so excited that you are here and I cannot wait to hear about your amazing wedding plans. Right off the bat you should know that I love working with people, and therefore I love meeting my couples in person before the wedding date. It's a great way to get to know each other and I always recommend a coffee date as a fun intro! Additionally, I can be reached by email, phone, or Instagram, so feel free to say hello! =)

Thank you so much for your time and I look forward to hearing from you.

Warm Regards,
Joshua Rose
