DETAILED PRICING GUIDE

Beebe Photos

hi there, im kallie

so happy you're here!

Hey friend! I'm so happy you reached out! I'm Kallie, a Des Moines native with a passion for shooting amazing photos (with the help of my Canon) while working as a graphic designer. During my free time, I love spending time with family, friends, and my adorable and energetic dog, Jade. I love drinking chai tea lattes from Starbucks, and staging the occasional unique/themed photo shoots with my two sisters, Mady and Taylor. Another thing I'm absolutely CRAZY about? Weddings! I just love capturing the in-between moments, the big moments, and every funny thing on one of the most important days of

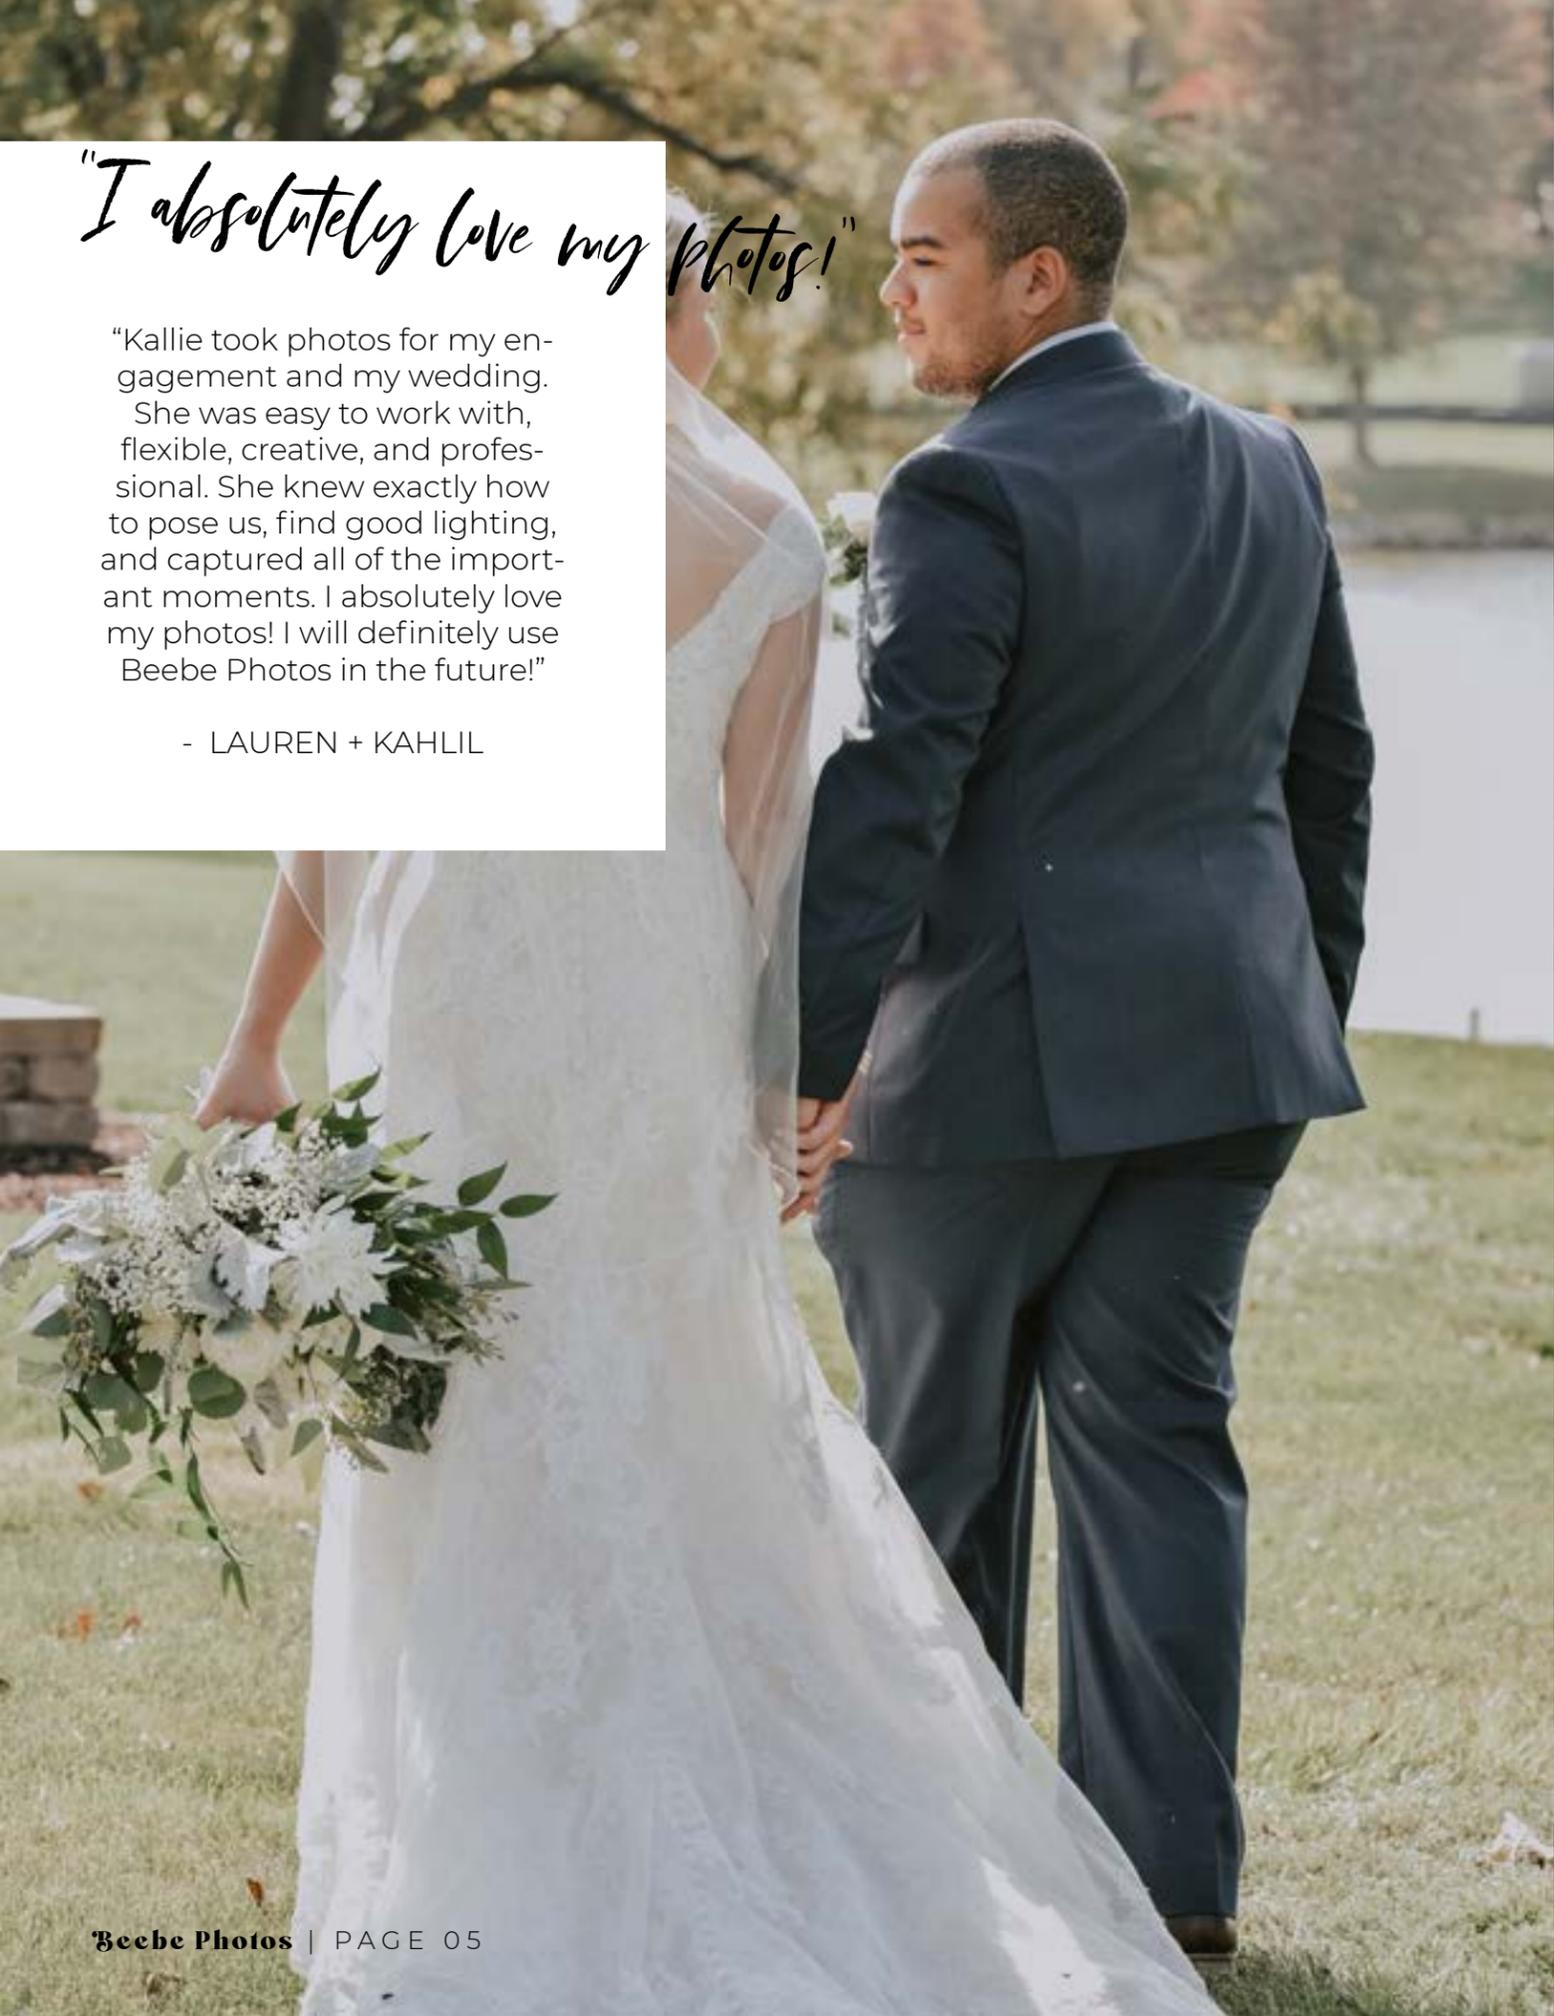

peoples lives. We truly believe that your wedding day should be 3 things: stress-free, sacred, and A FREAKING PARTY! I love spending the day doing whatever I can to ensure my clients wedding days are as easy going and fun as possible. With the help of my two best friends, my trusty Canon and my second shooter Kati, we can't wait to capture every moment of your day too. From the big "I do" to the beautiful decorations on your tables we can't wait to capture it all. Hope we can be there for you on such a fun day! We can't wait to party with you!

why i'm different

I am the kind of photographer who is going to dance with you on the dance floor, fetch you drinks all night, fix your dress, hold the bouquet, all while capturing your day in a way no one else can. Your day is so important to me. My main priority is making sure you have the best day, and the best photos to document it.

I am not the type of photographer to tell you "That's it! Don't move a muscle until I get the shot." HA. More like "Okay, now give her a piggy back ride & bounce her up and down, and side to side!" I love to capture the real stuff. The real laughter. No fake laughs around here. The sweet, intimate moments. I want your photos to be unique to YOUR love story.

"I absolutely love my photos!"

"Kallie took photos for my engagement and my wedding. She was easy to work with, flexible, creative, and professional. She knew exactly how to pose us, find good lighting, and captured all of the important moments. I absolutely love my photos! I will definitely use Beebe Photos in the future!"

frequently asked questions

Q: OKAY WE WANT YOU. HOW DO WE BOOK?

Like what you see in the booklet!? Awesome! Let's get started! To begin we will have a quick introduction video chat or phone call to get to know each other and talk over the details of your day and what you're looking for in your wedding photographer. After our chat I will send over your final package invoice to officially book your date.

Q: HOW AND WHEN WILL WE RECEIVE OUR PHOTOS?

You will receive photos within the range of your selected package. After your wedding day, you should receive your polished photos in an online gallery within 3/4 weeks of your date. You will also receive a flash drive for safe keeping within 6 weeks of your date.

Q: DO WE HAVE TO PUT DOWN A DEPOSIT?

A non-refundable retainer of 50% is required to reserve your wedding date. This is done via email invoice that can be paid with a credit or debit card. By booking that date, you are reserving it, and consequently, we will turn down other brides that inquire for that date after you've booked!

Q: ARE THERE ANY TAXES OR FEES ADDED?

Sales tax is the only addition to the pricing you see above. We try to make things as transparent as possible so you know exactly what you are paying for!

heck yes. lets do this!

YAY! We can't wait to chat with you about all the good stuff. From here, we will set up a FaceTime call with you to talk details. After that, you can confirm the package with us, and we can get you booked! We are so excited!

xoxo,
Kallie + Kati
