

A romantic wedding scene at sunset. A bride in a white lace dress and a groom in a light blue shirt are embracing in a field. The bride is holding a large bouquet of flowers. The background is a warm, golden sunset with a soft glow. A dark green square is overlaid on the left side of the image.

CATERING

You are welcome to select caterer of your choice, though they must be a licensed, full-service caterer that offers full bussing and clean-up. HPR will NOT clear tables. We have a dedicated space for the caterers to prep food, along with a freezer, refrigerator and sink. There are no ovens or warming racks.

CONFETTI & FLOWERS

Due to the organic landscape no faux flowers may be used for the ceremony aisle - some good ideas: real rose petals & baby's breath! For the grand send off - you are welcome to use biodegradable items, sparklers and bubbles outside the venue - no confetti, no balloon release for the safety of the animals.

RAIN PLAN

HPR is dedicated to your day, rain or shine! The venue can be fully enclosed in the event of inclement weather, also offering a floor plan for your ceremony to be in the reception area!

right in the
middle of an
ordinary life, love
gives us a fairy
tale."*
