PROJECT TIMELINE

01

Website Questionnaire

Go to our website, and under the wedding planning section, fill out our questionnaire! Once this is submitted, you can also text our phone number introducing yourself, send some inspirational photos and propose a good time for Rona to give you a call!

02

Wedding Look Book

Check out our wedding look book section on our website to familiarize yourself with our different looks. You can make note of any containers or looks that stand out to you!

03

Consultation

Once we have an idea of what you're looking for, we can set up either an in-person consultation or over the phone. This will give us a better understanding of what your vision is to help us design a unique experience for you! We will provide a personalized estimate after this!

04

Contract/Deposit

After receiving and signing the estimate and contract, you will need to pay a \$500.00 non-refundable deposit in order to get on our calendar. The remaining balance will be due 30 days prior to your wedding date!

05

30 days before I DO

We will have an in-depth follow up 30 days before your wedding date to confirm table numbers and any last minute changes and updates. We will then finalize the estimate and your balance will be due.

06

Execution

This is where we make your wedding dreams become reality! Our favorite part is watching your vision come to life! Thank you for letting us beautify your space and be a part of your special day.
