A tasting and consultation are a great way for us to get to know each other before we become your wedding cake vendor. We will provide you with a professional and enjoyable experience and do our absolute best to make the wedding cake of your dreams! Consultations are \$50 and come with a tasting box for two. This fee is applied to your final balance when you book your wedding cake with Not Your Nana's Bakery. Have a design idea, but not exactly sure what you want? Contact us today to schedule a consultation call so we can help you maximize your budget. Our custom wedding cakes range in design and decor with specific elements requested by the client and **start at a base price of \$7 per serving.**

When and why should you schedule a consultation? You should schedule a consultation as soon as you know your wedding date to go over the following details of your order:

Design details and flavor options for your cake

How many your cake will need to serve

Cake delivery on your wedding day and cutting logistics

Payment options and booking process

How to prepare for your consultation? We schedule it for 45 minutes to an hour call, and ask that you are prepared to provide us with the following:

The style of your wedding

Flavors of cakes you like

Exact color swatches for your file (if you would like us to match)

Basic wedding details, (guest count, allergies, venue, etc)

A 25% non-refundable retainer is required to book your wedding on our calendar. This can be paid at any time, but we strongly suggest that you pay your retainer as soon as you have chosen Not Your Nana's Bakery to be a part of your special day. Some of our brides are booking over a year out and our most popular wedding dates book up very quickly.
