HEIRLOOM WEDDING PHOTOGRAPHY

FOR THE MODERN COUPLE IN LOVE

Haley Richter Photography is a hybrid digital + film studio with a blend of fine art and photojournalism. We draw inspiration from natural elements - light, water, warmth, genuine intimacy and raw emotion. We create timeless memories for you and your families to cherish for generations.

WE CAN'T WAIT TO MEET YOU

We believe that photography is one of the most important aspects to consider when planning your wedding. After the cake is cut, the dress is hung, you'll be left with memories from your day. As your photographer, we love that it is our responsibility to capture the beauty of your wedding.

Our goal as your photographers is to capture your vision, that's why we like to peek at inspiration boards, find talented and passionate wedding vendors that match your vision, and create a custom photo timeline that includes templates for family shot lists, and easy access sharing!

SWEET WORDS

“To say “THANK YOU” a million times would be saying it too few! Haley Richter Photography understands and cherishes their role as capturers of magic - and capture the magic they did! That magical, inimitable, can’t-put-a-finger-on-it feeling is right there smack dab in the middle of all our photos. From the bottom of our hearts, and with this gorgeously-crafted glass box of photos at our side, we give our sincerest thanks.”

SWEET WORDS

“When we booked through Haley Richter Photography, I knew I wanted photographers who were responsive, logistics-oriented, and produced beautiful work. This was the most important vendor decision, and I made it clear to Haley and Keristin. We hit the JACKPOT with these ladies!”

Q & A

HOW DO WE RESERVE OUR DATE?

A signed digital contract and 1/3 of the total deposit means you're booked! Another 1/3 deposit is due 4 months before your wedding. The remainder of the invoice is due no later than a month before your wedding date at your convenience.

WHEN & HOW WILL WE RECEIVE OUR PHOTOS?

We put time, attention, and love into every single one of your wedding photos- after all, they are all works of art and art takes time. You'll receive your hi-res photos via an Online gallery with digital downloads approximately 2 months after your wedding, sometimes earlier. You'll also receive a USB drive and print box in the mail shortly after.

DO YOU TRAVEL?

We love traveling and exploring the world! Travel costs typically include hotel accommodations, transportation, and/or airfare when outside our complimentary travel radius. Travel is complimentary within a 1.5 hour driving radius of your lead photographers starting location.

WE'RE THINKING ABOUT A SMALLER WEDDING...

We have a separate pricing guide for smaller weddings and elopements. But we love weddings all sizes!

ARE YOU INSURED?

Absolutely! Speaking of backup, we back up your wedding to multiple hard drives after your wedding. We also upload your hi-res images to the online gallery. That way, you have access to your images in multiple places!
