A little about me

I'm Natalie an Event Décor Stylist, Wedding Décor Coordinator, and a Lifestyle Enthusiast. What to expect

A WEDDING DAY YOU CAN ACTUALLY ENJOY

I am here to help you to enjoy your wedding day and serve as your guide, making it what it should be : the happiest day of your life. You want to be able to just enjoy your day while I'll blend into the background to capture those happy and unposed moments, as well as provide support whenever you need it.

You can expect me to be there for you and stick to a timeline. That being said, nothing on a wedding day runs perfectly to schedule. Timelines are built with breathing room. Your job will be to focus on getting married and mine, on decorating it.

Consultation

I love connecting with couples and the process of consultation, whether in person or via phone, will give you guidance, more information and peace of mind as you move forward with planning your big day.

Contract + Booking

Once you are ready to book and select your package, you will need to sign a contract and you will be required to pay 30% non refundable retainer fee to secure your date. The remaining 70% of your balance will be due 1 month prior to your wedding day, I do have payment plans available.

I'm NATALIE, the owner & creative director for Meraki Mindful Events & Décor. I love being able to share in the love of two individuals and feel blessed to get to work with such wonderful people!

Based out of Bowie, MD, I've been planning and decorating events, interiors, and weddings for family and friends for over ten years. There isn't a day that goes by that I am not figuring out how to beautify my surroundings.

I believe wedding décor coordination should be fun and stress-free. Your wedding should be filled with celebrations of your love with family and friends—not worrying about your to-do list. That's why I'll be by your side every step of the way to make sure no detail gets missed, and no to-do goes undone!

My goal is to bring your vision to life on your wedding day by incorporating personal details and unique touches that showcase your love story and express who you are as a couple. \$5600*+

This service is for you if you want someone to handle all of the major pieces of the décor coordination & planning process. While you want to be a part of every decision, you'd prefer to leave the heavy lifting to us so you can enjoy your day.

\$4200*+

Partial Planning

This service is for you if you have some of your vendors hired and most of the big decisions made, but you'd like to hand everything over to someone else to manage certain aspects of the décor moving forward so you can sit back, relax, and prepare to walk down the aisle.

\$3500*+

Month-of-Décor Coordination

This service is for you if you want to handle the entire planning process yourself, but the thought of worrying about whether the linens arrived wrinkled, or the DJ is on time is not how you want to spend your wedding day. OUR PROCESS

WE APPROACH THE PLANNING PROCESS IN PHASES.

This allows us to stay focused on the important priorities during each phase, and make sure we have the proper pieces in place to create an unforgettable event.

Depending on the package you choose, you may or may not experience each phase of our process during your décor planning journey.

\$3000*+ Micro Weddings Décor

A wedding under 50 guests is considered a “micro wedding.” This service is for you if you’re planning a smaller celebration with close friends and family to celebrate your union. A micro wedding is perfect if you want a wedding and all of its traditions on a smaller scale so you don’t feel overwhelmed by the process and its complexities.

\$3200*+ Destination Weddings

If you’re looking to plan your wedding celebration somewhere other than home, but still want a reputable Event Stylist you know and trust, this service is for you. We can come alongside you to plan your destination wedding and utilize our network of vendor connections to be sure that your wedding day is exactly what you envisioned—even in an exotic locale.

\$2500*+ Design & Styling

This service is for you if you have support executing your event (i.e. venue coordinator), but need help designing your day. We’ll create a custom design plan according to your vision, and ensure it comes to life on your wedding day.

YOU HAVE QUESTIONS

Q: When should I hire a wedding décor stylist?

A: We'd love to start working with you at any point in the process. However, our hope is to start at the very beginning with our couples. This allows us to suggest the right venue and vendors based on your desired wedding décor budget, and to ensure that we are best able to maximize that budget according to your needs, wants, and must-haves. That being said, we're happy to assist you whenever you need support in your wedding décor planning journey.

Q: Can I hire you if I've already hired some of my vendors?

A: Of course! We're happy to pick up where you left off and coordinate with any of your current vendors to ensure no detail is unaccounted for as your wedding décor vision comes to life. We also have a list of preferred vendors. So if there are vendors you're still looking to contract, we're happy to curate a list of potential options that match your budget, aesthetic, and personality.

Q: What level of support is right for me?

A: The best way to determine what level of support is right for you is by reaching out to us to schedule a complimentary consultation. Once we learn more about your vision, how involved you desire to be in the planning process, and more about the logistics of your event we can suggest the best option for you. We'd also be happy to customize a package based on your event needs.

Q: What is the payment structure for your packages?

A: A 30% retainer is due upon signing the contract to secure your date. Depending on the package you choose, the remaining balance will be split up throughout the planning process to secure supplies and décor items with the final balance due at least 30 days before the wedding day.

I H A V E A N S W E R S

Q: What happens if I hire you for one package but realize I need more support?

A: You're welcome to increase the level of support at any point and upgrade to a more comprehensive package if you realize that you require more assistance with the décor planning process.

Q: If there are additional tasks that I need assistance with, can I add those to my package?

A: If there are additional services you need help with that aren't outlined in your desired package, we'd be happy to add them in and create a custom package for you.

Q: How much access do I get to you as my event décor stylist & planner?

A: Our goal is to be there for you throughout the entire process. You are able to schedule meetings and phone calls as needed, although we will be regularly checking in to ensure that everything is going smoothly, and no issues arise. In order to provide you with the best level of service, we have guidelines in place to streamline the communication process. This is to ensure whenever you reach out we can respond with our full attention and make note of any important details mentioned during our conversation.

If you have any other questions about the planning process, please don't hesitate to reach out to us and ask!
