"Bree and the entire Indigo Bride team were everything you want your wedding planning team to be- creative, professional, responsive, detailed, caring... We decided to go with the full planning package and did not regret it.

Having the Indigo Bride in our corner took so much stress off of the bride, groom, and our families and really allowed us to be present through the entire process - making the wedding experience seamless and enjoyable! If you are debating whether or not you need planning services... don't debate. JUST DO IT! Even for day of or partial planning it will be the best wedding decision you make."
