Weddings - Engagements - Bridals

WEDDINGS

Weddings are a big investment and that's why when choosing your photographer, you should be able to mesh with them and love their products. I strive to bring that unique flare along with a timeless look that you can admire for years to come.

WEDDING DAY PACKAGES

Gold & Rose

Gold

With the Gold package, you receive 2 photographers for 8 hours. Along with that you get a complimentary session which you can use for an engagement or bridal session. Photographs will be ready between 6-8 weeks for download. That includes 60-80 images per hour.

Gold package starts out at \$2499

Rose

With the Rose package, you receive 1 photographer for 6 hours. Along with that you get a complimentary session which you can use for an engagement or bridal session. Photographs will be ready between 6-8 weeks for download. That includes 50-70 images per hour.

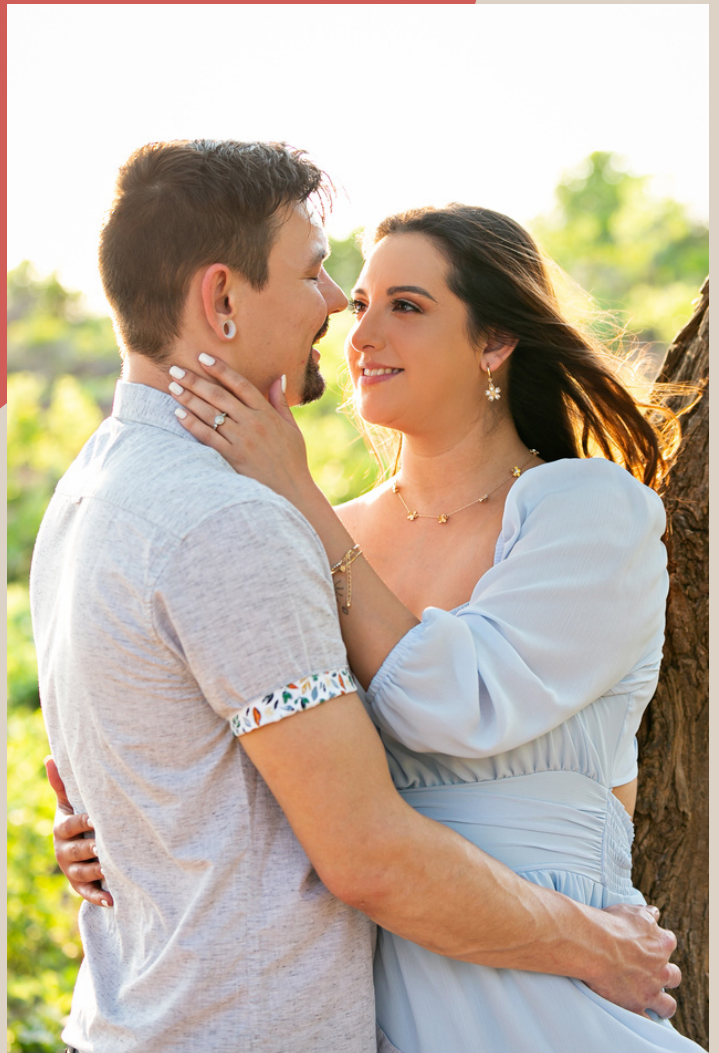

Rose package starts out at \$1900

Engagements

An engagement session is typically two hours with two locations and two outfits.

Engagements are a great way for us to get to know each other! It takes a little pressure off of photos on the wedding day as you now had a chance to experience romantic photos with your S/O.

Bridals

Bridals are a great way to see how your vision for hair, makeup, and your dress come together along with how it photographs.

They usually run from an hour to a hour and a half.

Hourly Coverage

- Hourly add on for your wedding day starts at \$250 an hour.
- Rehearsal dinner add on starts at \$450 for two hours

ADD ONS

Portrait Session

- Portrait session add on (engagement or bridal) starts at \$350 an hour.
