# AUDIO GUEST BOOK RENTALS

An Audio Guest Book allows you to capture Authentic and Unfiltered Voicemail Messages at your wedding, party or milestone event.

Events are fleeting. They exist for only a moment in time, with little left to remind you of the occasion after the celebration ends.

With Endy Events at your event, your guests can record messages that will warm your heart, make you laugh and help you remember the day for years to come.

## Our Phones

Our Audio Guest Books allow you to capture the real voices of your wedding. The Mother that leaves the sentimental, heartfelt message. The cousin that re-tells that “had to be there” moment from 10 years ago. The drunken groomsman saying something he’ll probably regret tomorrow (but has now immortalized forever). Like wedding photos and a fine wine.. these voicemails will get better and better with time.

## Renting the Audio Guestbook

# \$299
