Voted Best Wedding Ceremony and Reception Venue!

A spectacular mountain venue for your wedding and reception.

Log Haven is synonymous with wildflowers, waterfalls, and beautiful Utah weddings and receptions. It began its existence with romance – as an anniversary gift to the wife from the

founder of Geneva Steel to his wife.

Log Haven is the idyllic destination wedding location and hosts guests from around the world, with a variety of weekend activities that include skiing, hiking, biking, and golfing. We are located just 30 minutes to 4 ski resorts for world class skiing and outdoor activities.

Log Haven is widely known as the best place to showcase Utah's mountain splendor and celebrate important occasions. From private dining rooms to an open meadow, the views are incredible. Log Haven features 40 acres of private land (including a pristine lake) nestled in the mountains of the Wasatch National Forest, with a nationally acclaimed chef and full service wedding event planning.
