# Welcome

We are Kyle and Tracy!

Who are we? We are husband and wife, hardworking nerds, and wedding photographers that love our job SO much!

We have created this guide to not only provide you with pricing, but also some other fun stuff that shows you what it would be like to work with us. Take a look and let us know if you have questions!

# Engagements

Engagement sessions - we love them! Why?

An engagement session is a reflection of you and your relationship. We have done engagement sessions everywhere to parks to city streets, mountain tops, homes, breweries and more.

They are an amazing way for you to get to know us and for us to get to know you. That is why we included a complimentary engagement session in EVERY package!

# meet us

---

We are both hardworkers that simply love working in this industry. After working in customer service for decades, excellent customer service is most important to us at all times.

While not shooting weddings, you'll find Kyle photographing concerts and anything he can get his hands on. Meanwhile, Tracy is the homebody who enjoys staying home editing photography.

We both are total nerds. We love working with people that enjoy Harry Potter, Star Wars, or can simply understand the pop culture quotes that come out of our mouths on an hourly basis. Seriously, we booked a wedding once based on what a huge Bowie fan Tracy is and another because of all the Bob's Burgers stuff we have.

It may sound cliché to say that our clients are everything to us, but we don't care. It's true. When you work with us, we treat you like family.

# FAQs

---

## DO WE TRAVEL?

Yes! Whether it be for an engagement session or a wedding, we have been fortunate enough to fly all over for this work.

Every destination is different so we offer custom packages to make sure its a perfect fit.

## WHAT IS THE PAYMENT PROCESS?

To book your date, we require a 50% (plus tax) retainer.

We accept cash, checks, and cards and can easily invoice you via Square. We do not hold dates without a retainer.

## WHEN/HOW DO WE RECEIVE OUR PHOTOS?

One thing we like to do is meet with our couples after the wedding to go over photos and to see you again! However, we understand not everyone can do this. Either way, we will send you a link to your online gallery within 2-3 weeks after your wedding. With this online gallery you can download, share, and order prints. You also have the right to print them on your own. You will receive anywhere from 700-1600 photos depending on the logistics of your day.

## DO OUR OUTFITS REALLY MATTER?

Yes they do. Wear whatever is YOU! Anything that makes you comfortable in your own skin. We send an Engagement Photography Guide to all our couples with tips. And you can always ask us too!

## DO YOU BACK UP YOUR PHOTOS?

Absolutely! We have a backup system that keeps your photos in several different places. We always come prepared to a wedding with five camera bodies and lots of lenses, ready for anything. Your photos will remain in your gallery for one (1) year after your wedding to give everyone time to download them.

## HOW CAN I FOLLOW ALONG?

LOVE this question! It means SO much to us to know that you would like to follow us.

## I LIKE WHAT I SEE, HOW DO WE BOOK YOU?

We love to take all potential clients out to dinner, as it's hard to get to really know someone over a cup of coffee.

It helps you get to know the people that are going to be with you all day at your wedding! Lets see which package is the best fit for you, and make it official!

# Thank You

---

Thank you for taking the time to learn who we are and what we offer. We consider it a huge honor to capture one of the most important days of your life and we do not take that responsibility for granted.

Let us know if you have any questions at this time. We would love to set up a time to meet!
