

DOWNTOWN HORNS – WEDDING SERVICES

Hello and thanks for considering Downtown Horns for your special day! We are available to answer any questions about making your wedding perfect for you. What follows is a typical timeline for a wedding day, using as an example a ceremony starting at 3:00 in the afternoon. The rates for our services for the various elements are listed. You may choose to not have all these elements at your wedding, or additional elements not listed, and the order and times of activities is totally up to you. Once you've decided what your timeline will be, we will work closely with your venue coordinator to see to it that the event stays on schedule. Please review this example timeline and let us know how we can help you create the wedding day that you envision.
