

Pamet Harbor Yacht Club

Pricing for Weddings

For in-season weddings, pricing for Friday, Saturday, or Sunday begins at \$4,800. This is for up to a six hour wedding and for up to 90 people. The price increases to a maximum of \$5,400 for our maximum of 150 people. These prices do not include a tent permit. A tent permit is an additional \$100.

Included in this price is the use of our clubhouse, outdoor ceremony area, other outdoor spaces for tents and tables and chairs. Also included is one or more club staff on site during set up, the wedding, and afterwards to clean up. There is no extra charge for having your ceremony at the club during the rental period and six hours provides enough time to do that if you desire.

Our in-season is Memorial Day week-end through Columbus Day week-end. Reduced pricing is available for off-season and during the week in-season. The reduced price depends on the event duration and number of guests
