Welcome to Our Place

In the heart of the Hill Country, a hidden gem

Located on the north side of Canyon Lake, we have five acres of outdoor space, with hundreds of towering trees creating an emerald sky. Our outdoor ceremony area has a gorgeous view of Canyon Lake, cool breezes, gorgeous sunsets, ample seating space, and romantic lights in the trees.

The indoor hall is climate controlled, ready for any season. The hall can hold 175 people with room for a dance floor, or 190 without. A covered patio with farmhouse tables offers additional seating, and the covered porch provides a great view of Canyon Lake. There is a full kitchen, stage, cathedral ceiling with exposed beams, and romantic twinkle lights.

And to fully create your Hill Country destination wedding weekend...

Your guests can stay in our selection of cabins and cottages, allowing them to spend time with family and friends.
