Lorimar Winery is licensed to serve Wine and Beer. If couples would like to have Hard Alcohol at their Wedding they MUST hire an outside bartending service that is licensed and insured. Lorimar Winery, at that point, will not be servicing the bar. Lorimar Winery does require Lorimar Wines and Sparklings are the ONLY wine allowed on the property. It is required that couples pre-purchase enough wine to serve a minimum of one glass per guest. There are four glasses per bottle of wine.
