Package Guide

Fête Management & Design: \$5,000

This package has all the logistical coordination your day needs, with the added bonus of design and decor help. In between just day-of and partial planning, this offering is great for the couple who still want to make the big decisions with someone running the show day-of, but are having a hard time figuring out how best to decorate the wedding space. We will create a personalized mood board for you and source rentals to bring your dream tablescapes to life!

Partial Fête:

\$7,500

Our most popular package is perfect for the couple with the big ideas who needs some guidance with the details and execution. We will help bring your vision to life by tying up your loose ends by securing up to five missing vendors. This package is customizable based on where you are in the planning process. Day-of coordination and one assistant are included.

Full Fête: \$10,000

This extensive package includes everything from helping to select save-the-dates that suit your aesthetic to tearing down after the fun is over, we are here from beginning to end. Don't want to follow up with RSVPs? We've got it covered. Need wedding party styling tips? Say no more. Unlimited brainstorming meetings will ensure everything is taken care of! One assistant is included.

Fête Weekend:

\$14,000

Now this is a party! From the rehearsal dinner to the farewell brunch, we are there from start to finish. A Friday through Sunday commitment, this package coordinates rehearsal dinner and welcome drinks the day before, the big day itself, and any goodbye events that might happen the day after.

Intimate Fête:

\$4,000

Whether you've recently had to postpone your big day and seek an alternative option or you just want to keep the party small, the micro-fête is for you. This package is the Full Fête on a much smaller scale, for parties of 20 people or less, and includes day-of coordination.

Fête Chat:

\$300

Just got engaged and have no idea where to begin? Not even sure you need a planner? This is a two-hour, intensive consultation to point you in the right direction. We talk everything from vendor recommendations, budget creation, logistical planning, and more. If you book a planning package post-call, the price of this option will be deducted from your total!
