### **“Cantor Shira is magical!**

Not only was she amazing to work with but so flexible in quickly helping us prepare for the big day. Her voice is a thing of beauty, but her words are works of art. Everyone commented on how memorable and special the ceremony was. Thank you Shira for everything!” – Jenny R.

### **“The Absolute BEST on every scale**

Our daughter was married by Cantor Ginsburg this past weekend. It was the most moving, beautiful, meaningful, and spiritual ceremony we have ever witnessed. But don't base it on us; we're biased. Countless guests, including people from from the other side of the wedding came up to us - and are still reaching out to us - to tell us just that. Absolutely extraordinary and entirely planned by our children and Shira.” – Steven P.

### **“Amazing ceremony in Bermuda**

Shira was accommodating to everything that was needed with a destination wedding. She dealt with the difficult process of becoming ordained in Bermuda and managing her own travel arrangements. I would recommend using Shira to anyone who would enjoy a kind, thoughtful and engaging ceremony.” Brett B.

### **“Amazing experience!**

Shira was phenomenal from beginning to end. She is warm, kind, and a pleasure to work with. She created such a warm and personalized ceremony and we could not be more grateful. The ceremony was our favorite part of the entire night. Shira is also incredibly organized and responsive and takes all of the stress out of the wedding planning process. My husband and I had such a great time getting to know her and couldn't be happier with our decision to have her marry us.” – Rachel L.

### **“I couldn't imagine our wedding without Cantor Shira**

When we first met her, my wife and I instantly felt comfortable and we knew from the moment we left that she was the perfect person to share in our wedding. She walked us through all of the traditional elements of the ceremony and worked with us to create the ceremony that was perfect for us. Both of our families couldn't stop talking about how wonderful her words were. I can't recommend her enough!” – Bradley S.
