# Meet Yaseli

PHOTOGRAPHER & STORYTELLER

HEY, I'm Yaseli [JASS-ELLE] or YAS

Observer, narrator and photographer for the ones who believe in love, real love.

My home based is Asheville, NC, yet since I love to travel, I'm available Worldwide!

I was born & raised in Puerto Rico. There I met the love of my life, Julio. Together we make a great team in our home and a family of 4 with the best companion, our doggie - Sheik.

These amazing people are my why and the fuel for me to pursue my career, which is my passion.

now. **why** me?  
when there's so many photographers out there

Well, because I will BE THERE for you! (sing-along F.R.I.E.N.D.S intro)

With me you can expect a FRIEND that you can trust and count on. Whether we go up to the mountains, chase waterfalls, or explore a city, my main goal is to connect with you guys. I promise it won't be awkward, we will have a lot of fun!

After your session, you will expect so many good memories. We want you to remember all the giggles, tears, and quiet moments while seeing your photographs. Expect to receive photographs that were designed for you to see yourselves and your relationship in a deeper way.

We get real during our sessions. We stop time for a moment and help you guys go back in time to remember your first kiss when the first -I love you came out, the good times and the not-so-good times that help us grow as a couple. Yes, we go back to all those moments!

## KIND WORDS

*If you choose Yaseli as your photographer, you will not only have a really talented person working with you, but a really kind and lovable human being. She made us feel so comfortable during our entire session, even though it was the first time for us getting photos taken from a professional photographer. She captures magic in her work. The final product will take your breath away. You will be thankful to have chosen her as your photographer. She's a wonderful person and an amazing photographer.*

From the first chat we have, to the planning, to the day of your session, you will have a photographer and a friend who will be there for you at every step. I'll be there guiding you at all times and ensuring you guys are taken care of and that your goals are met.

## 0.2 CANDID & POSED IMAGES

My main approach is documentary I'm all in about capturing the real story, but that doesn't mean that I won't guide you how to pose for photos, like where to put your hands, etc. Flattery posed and not stiff.

## 0.3 FULLY EDITED PHOTOS

I never deliver my work incomplete. All the photos that I deliver have been fully edited. I've spend years perfecting my editing style artistically, yet that will be timeless. Not too dark, not too bright, just right.

It is a perfect way to have your images digitally ready to share with the world. Through our online gallery you can share them with your loved ones. They're user friendly and you can actually order prints from there!

# SECOND PHOTOGRAPHER

THE PERFECT SOLUTION FOR DIFFERENT ANGLES AND LOCATIONS TO BE

As much I would love to have a doppelgänger of myself and be in two or three spots at once, it's a lot easier to get extra coverage if you choose to have a second shooter on the day.

This is a particular good idea if:

- You have a large guest list, and want to make sure we get the shots of everyone that's there on the day.
- You and your partner are getting ready at the same time and at different locations that are far apart.
- You're wanting photos of the ceremony and reception styling before the arrival of your guests.

Basically the second shooter will act as my wingman/women doubling the coverage of your session. We'll team up to make sure that everything is captured from the start to the end.

*For a Second Shooter \$500*

# ENGAGEMENT SESSIONS

Our sessions are more than taking beautiful photos at a gorgeous location. It is about getting to know more of you while capturing your real story, the real you.

Whether we go up to the mountains, chase waterfalls, or explore a city, my main goal is to connect with you guys. These sessions are a great way for me to learn about both of your personalities and how best to capture them. I promise we will have a lot of fun!

After your session, you will expect so many good memories. We want you to remember all the giggles, tears, and quiet moments while seeing your photographs. Expect to receive photographs that were designed for you to see yourselves and your relationship in a deeper way.

We get real during our sessions. We stop time for a moment and help you guys go back in time to remember your first kiss when the first -I love you came out, the good times and the not-so-good times that help us grow as a couple. Yes, we go back to all those moments! Because this is before saying -I do.

*For Engagement Sessions \$500 for 1 HR / \$700 for 2 HRS*
