

WEDDING VIDEO PACKAGES

THE HUSBAND & WIFE VIDEO TEAM YOU NEED.

RICHMOND, VA BASED (DON'T WORRY, WE'LL TRAVEL IF NEEDED)

The Hubby & Wifey team you need!

Thiago & Becca here, we got married in 2016, so we understand the stress of wedding planning. We also know that we regret investing our money on things for our wedding that later on wasn't so important.

#1 item NOT on the regret list?

Our Videographer

I already had my eyes on the company for a few months & it was an investment (\$\$\$) but it's one I'd do it again.

We still cry watching our highlight film every time something we don't do with our pictures.

This video includes (if applicable): Ceremony, Grand Entrance, First Dance, Toasts, Cake Cutting, Bouquet/Garter Toss. It WILL NOT contain cocktail hour, money dance, open dancing, games, or anything else. If you would like those events, we suggest you getting the raw footage.
