DELUXE PACKAGE

This popular package comes with a full day of coverage and two complete wedding films. Your wedding day will be edited into a feature length film including the entire ceremony and all other events of the day. You will also receive a short film featuring highlight clips of your wedding edited to a licensed song. The additional feature film edit included in this package is similar to a long-form documentary and is a great way to remember your wedding day in its entirety!

INCLUDES

- ✿ 8 hours of coverage (two videographers).
- ✿ Three HD cameras and high quality audio.
- ✿ Short film with highlights clips edited to a licensed song (3 minutes).
- ✿ Feature film including entire ceremony and other full segments (30-60 minutes).
- ✿ USB flash drive.

CUSTOM PACKAGE

Do the Classic or Deluxe packages not fit your requirements and budget? No worries! You can completely customize your own package within minutes. Choose exactly how much coverage you want and select your own editing preferences. It is the perfect solution for eloping, a surprise proposal, or if you simply prefer to build your own package. Be sure to choose the "Extended Short Film" option if you would like for your personalized vows, letter reads, or toasts to be included in your short film. Custom packages priced at \$2,500 or more will include two videographers.

INCLUDES

- ✿ Selection of how many hours you would like covered.
- ✿ Selection of a short film, feature film, or both!
- ✿ Raw footage option (unedited video and audio files).
- ✿ Extended short film option (6 minutes - personalized vows, letter reads, or toasts).
