

Olya & Dave Duo Pricing:

Our prices vary depending on the event and amount of time you want us to perform.

Our average price is 1200\$ for event.

We will play 3 sets (3 hours) of music with breaks for you and your guests. But we are ready to negotiate and find the best pricing solution for your specific event.

Every event and celebration is special so we always have an individual approach for every client.

But usually we offer 2 types of performances:

1. Acoustic performance (piano and vocal) for more quiet events.
2. Performing with backing tracks (beats, backing tracks + piano + vocals) for dance parties. You can see how it looks like in our video examples.

Let us know which type of performance works for you best!
