- PACKAGE LENGTHS are for performance time from beginning to end of event. Set-up and Tear Down time is before and after and is included in your pricing.
- State of the Art Planning System with 24-7 Access and Guest Access if desired. Make payment, print invoice or receipt or even contract at any time!
- Our ceremony packages include us playing 15-30 minutes prior to ceremony start time at no cost. Most DJ's start your package time 30 minutes prior meaning you lose 30 minutes of coverage at end or pay extra.

- **** ALL PACKAGES** already have \$100 testimonial discount subtracted. This is a 90 second interview towards end or after event about how you enjoyed event. SAY WHATEVER YOU LIKE! You do not have to do this, but if not, price is \$100 more for package. We subtract it as almost no one says "NO" to participating.
- Our local service area is 50 miles or a 1-hour drive from center of Lancaster PA. Our out of area service fee is \$2 per mile for every mile over 50 miles from Lancaster PA (We round to nearest \$10 or \$25 increment).
