# RECEPTION LOCATIONS

A beautiful reception area is as important as finding the right wedding rings as it sets the mood for the celebration of your sacred union.

## Arbor

The Wisteria covered outdoor Arbor patio, adjacent to the Bridal Green, sets a picturesque location for your family and friends to gather. They can watch your first dance, toast to your marriage, and to enjoy a custom reception meal. Market lighting sets the mood as the sun sets overhead. Photos of you taken from the Arbor can be magical and memorable.

## Bars the Limit

Choose from our extensive wine, beer and premium spirits list and we will stock your wedding reception bar with your favorites. If you don't see your "favorites" on our list, let us see if we can get them for you. The options you choose from are "host" or "no-host" your reception bar. If you choose to host, you set the dollar limit and we work within the limits. If you decide to increase your limit, we accommodate your requests and ensure that you are kept apprised of the increases as they reach milestones you set. Non-hosting a reception bar is also very appropriate and easy to accommodate.
