KINDRED SPIRITS

WHO IS KINDRED SPIRITS?

Kindred Spirits is a craft mobile bartending service. Our focus is bringing the craft bar experience to you. You dedicate so much time and energy into planning your event, don't compromise with the bar.

We thoughtfully craft our beverages and trust us, our cocktails taste as delicious as they look.

/ˈKINDRID ˈSPIRIT/

- a person whose interests or attitudes are similar to one's own
Our interests are similar to yours. You want a memorable one of a kind event that will be filled with fun and laughter. We want that for you, and we are here to make that happen. We take care of the bar so you can focus on enjoying your guests and seeing your vision come to life.

Founded in January 2021

After working in countless bars and for various mobile bar companies, Jasmin, Nick, and Navi decided it was time to launch their own company. It grew out of a desire to build their own brand, connections, and client relationships versus someone else's.

With that said, and the launch being so new, bear in mind some of the pictures on this site are from events we worked with other mobile bars, prior to Kindred Spirits opening, while others are 100% Kindred Spirits. Feel free to inquire!

Our years of experience, highly trained staff, and attention to detail, are all elements that set us apart from other mobile bars. One thing we noticed working as independent contractors working for other mobile bars, is that while most did not lack in making a good cocktail, most did lack in professionalism and personality. We pride ourselves in being the life of the party, making your guests laugh, making them feel seen and not like we are just there for a "tip". We enjoy what we do and it shows. We are each truly a "people's person". We love people and are all about customer service and keeping a smile on our face.

LET US PROVIDE YOU WITH AN UNFORGETTABLE EXPERIENCE!!

MEET THE TEAM
