Frequently asked questions:

WHAT IS OUR SHOOTING STYLE?

We love being both interactive and discrete throughout the wedding day. There will be parts of the wedding day when we will need to be in control in order to accomplish everything that needs to be done in order to keep everyone on schedule. (family portraits, for example!) But most of the time, you shouldn't even know that we're there. (The ceremony, during dances and toasts, etc.) We value capturing your day authentically and true to the story of you and your beloved. in all its glory! Candid. Natural. Real.

WHO WILL SHOOT MY WEDDING?

When it was just the two of us, we tackled most weddings as husband-and-wife team. Now that the business-(and our family!)- has grown, we've restructured a bit in order to foster a healthy work/life balance that doesn't necessitate leaving our babies home with sitters every weekend. As we mentioned, we have assembled an incredibly trustworthy team of associate shooters who help us to capture all the wedding day bliss. Wedding day teams comprise of some combination of Lindsay and/or Scott, and our team members. They each bring their own unique gifts and talents to make us what we are, and we're incredibly proud to share them with you!

HOW MANY IMAGES CAN I EXPECT?

We average 75-100 final images per hour that we're actively shooting throughout the day. This estimate is normally on the lower side since we tend to be over-shooters. We love delivering our client's files easily via an online gallery. You will have the ability to print, share and download your images as much as you want. We believe in freely sharing our work because that is what we would want if we were in your shoes!

Let's do this!

ENJOY BEING ENGAGED!

we'll keep you on track in the planning process so you can enjoy this special time of life together!

Thank You!

We're so glad you contacted us! Enjoy this new season of engagement! Plan and prepare but always remember that when it's all said and done, all the food, the florals, and the details will fade away. Once your the last song is played and you exit your reception, you'll begin your new chapter as husband and wife and you'll have your photos to remember the day it all began. Congratulations on your engagement and I look forward to hearing from you!
