

VOX DJs

+ Your Wedding

Your wedding is more than an event.

“

No words for how perfect this night was. My future wifey knows me too well... she planned out a whole cigar lounge for us, got all gluten free & vegan food, and got an amazing DJ so we could party all night long.

– Tarek El Moussa, Host of HGTV's *'Flip or Flop'*

Our Mission

We believe this special day is
**a celebration of your
never-ending love story.**

Whether it's playing your favorite song on the dance floor, capturing a memory at our Photo Booths, illuminating the night with our Event Lighting, or performing through Live Music, our mission is to help tell that story. **All backed by the most reviewed and highest rated event company in the Wedding Industry: VOX DJs.**

Wedding Packages + Prices

Every love story is unique, and so are our packages. We offer Professional DJs/MCs to match the musical experience you're searching for.
