CELEBRATIONS AT THE CASTLE

About the Castle

Nestled in the heart of Albuquerque, New Mexico, Villa de San Rafael stands as a testament to timeless elegance and contemporary luxury.

This iconic estate is under new ownership as of April 2024 and has undergone extensive design and amenity updates so that the property's original charm now blends seamlessly with modern comforts.

The Villa is rich in character and features commissioned artwork, stained glass windows and incredible architectural details including marble staircases and a 20' stained glass dome in the casita.

Weddings at the Castle

Sitting on one acre of private land, Villa de San Rafael has beautiful grounds and multiple options for ceremony and reception layouts.

Couples looking for a "wedding weekend" can also choose to stay multiple nights at the villa, which comfortably sleeps up to fourteen guests in six bedrooms (four bedrooms in the main house and two bedrooms in the casita).

Villa de San Rafael is available as a site rental plus overnight accommodations, allowing couples to create a one-of-a-kind experience on their special day. We will happily connect you with our preferred vendors for rentals, catering, photography and more.
