Don't Stress!

Eliminate your stress about your look on your special day - Book a wedding trial. It gives me a chance to work with your hair, review your photo inspirations, and to work with you to decide the best hairstyle to go with your gorgeous wedding dress. We'll get the chance to know one another better and be more comfortable with each other. The wedding trial ensures that we've perfected your desired look and ironed out the details so there are no surprises on your wedding day. You'll be stress-free when everything runs smoothly.

Trial for her

HAIR TRIAL PREP::

I recommend you arrive with clean, blow-dried hair. This allows me to jump right into prepping your hair with product and curling/styling your hair to achieve your desired look.

BRING PHOTOS. It's hard to describe your perfect vision of your hairstyle on your wedding day. Pinterest is an awesome tool for this. Make a "Wedding Hair" board, and start pinning your fave images. When you come for your wedding trial run, we'll go through the photos you've collected and decide on the best fit for your dress and your personal style.

Don't forget your accessories! Bring your... veil, tiara, clips, pins and/or hair extensions.

MAKEUP TRIAL PREP::

It's best to apply makeup to fresh clean skin. Give your face a refreshing cleanse before your makeup service.
