

Buss Farms is a working cattle farm situated on 50 acres just outside of Columbus, OH. Our venue provides the perfect backdrop for outdoor or indoor ceremonies and receptions with endless options to make your special day unique! We are close enough to the city that there are several hotels just a few miles away, yet far enough into the country to enjoy the privacy of being surrounded by nothing but trees & cornfields.

THE BARN

A late 1800's historic barn originally built on Buckeye Lake. The 70' barn is the ideal location for your **reception or indoor ceremony.**

THE WHITE ROOM

Connected to the barn, this 35'x35' addition is home to the **indoor/outdoor bar** overlooking the property. The Lounge is the perfect place for a cocktail hour while flipping The Barn from ceremony to reception or for additional seating.

THE LAWN

A beautiful country backdrop for an **outdoor ceremony or reception.**

THE FARMHOUSE

The first floor of our 1902 farmhouse will be available to the bridal party and family on the day of your event to gather and prepare. The house features a groom's suite, a bridal suite, dining room, kitchen, 1/2 bathroom and living quarters for family to gather & relax before the celebration.
