Let's Make Memories Together

Esskay Four Photo Booth Co. was started from a need to provide quality, customer-focused photo booth rentals in the Connecticut region. We're a family-owned and operated business and we know firsthand the level of service that event hosts are looking for. We've been in your shoes.

Owners Kenneth and Samantha remember fondly how special their wedding day was 11 years ago. "One of the highlights of our event was our wedding photo booth rental. Our friends and family still talk about the photo booth to this day. We look back on how important that day was to us and we want to create the same joyous, unforgettable memories for your special event."

With Esskay Four Photo Booth Co., you're not just renting a photo booth kiosk, you're getting a personalized approach. We'll spend time getting to know you and your needs and provide experienced guidance when organizing your photo booth vision.
