

In the need of a wedding officiant and a charming place to hold the ceremony? I got ordained to help a friend get a quick wedding in during this pandemic. So, I wanted to offer my services to couples who would like a wedding sooner rather than later.

Do you already have a venue and just need an officiant? Prices range from \$200 - \$500 depending on location and length of ceremony.

If you do not have a place picked for our special occasion, I have a great tree out back with white lights where we can perform the ceremony with no masks. In the evenings they are pretty.

There are a few things to keep in mind so here is your check list:

1. We can accommodate a total of 10 people.
2. You must have your marriage certificate on the same date and time as the wedding.
3. A \$50 deposit is required to hold your date and time.
4. You must arrive on time or your deposit will be forfeited.
5. You need to bring 2 witnesses that are 16 or over.
6. There is no place to change so you must come dressed and ready.
7. There is no bathroom since this is my house, we will not be allowing people inside.
