

MTP PHOTOGRAPHY

Price List

Thank you for your interest in MTP Photography!

All photography packages* include the following:

- One event per day — Your special day is our priority! We will not be rushing to get to another booking or removing our focus from capturing your special day!
- Photo retouching — All photographs are retouched in house. We do NOT send your photos out for retouching! Retouching includes color correcting, light editing, and black and white edits.
- Complete digital downloads — All retouched photos are available to download and save by the wedding couple. These photos are high resolution!
- Online gallery with printing access — High quality prints and other photo products are available to purchase with discounts through the gallery.
- Gallery share capabilities — Each wedding gallery comes with a sharable link for friends and family to view your photos and purchase prints.
