OVERVIEW

LJ White Creative specializes in creating beautiful and unique weddings with personalized details. We provide a multitude of event planning services ranging from Elopements to Day of Facilitation to Full Service Event Coordination and everything in between.

Your coordinator will collaborate with you to produce an unforgettable event that will be tailored to you and your fiancé. From finding the perfect location to your last dance, we will be with you every step of the way.

During a complimentary initial consultation, you will have the opportunity to learn more about our event planning services and ask questions. Once we determine what services are needed through this consultation, a proposal will be created customized especially to your needs. Please contact us to schedule your initial consultation!

DESTINATION WEDDINGS

Our specialty: whether you've always dreamed of a wedding on the beaches of Mexico, a vineyard in Napa, a ranch in Wyoming or a villa in Tuscany, we have the resources, on-the-ground partners and in-house foreign language capabilities (as needed) to plan your destination wedding weekend. For couples like you, we'll design and plan multi-day experiences, from your welcome party to farewell brunch, all with our signature full-service design, planning and styling and the necessary accommodation and transportation elements required to make your weekend as enjoyable as possible for you and your guests.

We'll also customize activities and excursions throughout the wedding weekend, where out of town guests can enjoy a variety of local experiences like wine tasting, hiking, balloon and bike tours, and more. For venues outside the U.S., we work with our local partners to blend the essence of local culture with your vision for a celebration that is uniquely you.

PARTIES & EVENTS

One of our favorite ways to continue our relationships with clients is through private celebrations. We love to plan and we don't just do weddings.... In addition to workshops, styled shoots, and coaching sessions, we are also available to design and plan private events such as dinner parties, anniversary and birthday parties, baby showers, bar/bat mitzvahs and children's parties with the impeccable taste and perfect execution that is synonymous with our event planning. We also enjoy helping non-profit organizations to plan and produce events and are honored to have helped with galas for various clients.
