We pride ourselves on being different at Cloud Wedding Films. We offer simplicity to our clients. You don't have to bother yourself with unnecessary details and protocols about your memorable day.

Our services are simple and clear-cut. Just send us a message and we will confirm our availability for your time and location. If all is good, book, and, Voila! We show up to film.

Planning a wedding can be a tough task, and many couples tend to miss most of their day because they're so busy. But we got you covered at Cloud Wedding Films; we are the simple option.

Travel and Destinations

It doesn't have to cost thousands of dollars to travel anymore. Our gear is relatively small and we can get to most places fairly easy. If you want to book us for your wedding, let us know where, we'll show you an estimate of the travel costs. Travel expenses to be covered if needed are: Flight, Rental Car, Hotel, Gas, Per Diem (\$100 per day) and Tolls There are two key restrictions. We only travel on weekends. and Travel fees are paid at deposit with cancellation fees as determined by travel agency.
