

## Wedding Officiant Prices

Wedding Officiant prices vary depending on the type, date, and location of your wedding. Rates are determined based on a variety of factors, including travel distance, style of ceremony, and date/time of ceremony. My base pricing includes the following:

- No-Obligation Initial Consultation
- In-Person or Video Planning Meeting
- Unlimited Ceremony Editing
- Your Wedding Ceremony
- Filing of Your Marriage License

As your officiant, I will work with you to create a fully customized ceremony that reflects your personalities, beliefs, and relationship. Your ceremony will be specially crafted for you, [contact us today: call 360-649-0551](tel:360-649-0551) or email [tabbymarie73@icloud.com](mailto:tabbymarie73@icloud.com) for an exact price quote and to check my availability for your wedding date!

### Travel, Parking, and Accommodations

I do charge a separate fee for travel over 30 minutes from Port Orchard, which require ferry travel or toll bridges, if your ceremony is taking place at a location without free parking. I do ask that you validate or pay for the Officiant's parking. Overnight accommodations may be required for destination weddings or weddings outside our normal service area, if this is the case, I will let you know when I give you the pricequote.

### Wedding Rehearsals

Most of our couples (over 95%) choose not to have me attend their ceremony rehearsal if they have one, so I do not include it in our standard package. The majority of our couples choose to run their own ceremony rehearsals since they are only practicing walking in and walking out and not the ceremony itself. I offer to give you the option of hiring me to stand in at the rehearsal, as long I am available. If you are interested in having your Officiant at your wedding rehearsal, or have additional questions, please [contact me for more information: call 360-649-0551](tel:360-649-0551) or email [tabbymarie73@icloud.com](mailto:tabbymarie73@icloud.com)!
