# Hear From Our Clients

*Here are some love notes from past A.Monet Events clients*

Ari planned my destination wedding in Aruba along with my stateside reception for my guests who weren't able to come to Aruba. Her help with communicating with the resort, crafting my bouquet, making my guest welcome bags, and doing all the decor as well as hosting my reception was amazing! She made my wedding experience flawless and I would recommend her and her team to anyone. You won't be disappointed!

- Katrina & Lee

Ari and her team came in and made our wedding day flow well. They made sure to anticipate our every need and to accommodate our requests. Our guests kept talking about how organized everything was and how our planner was so professional. Thank you for everything! We appreciate you all

.- Marvin & Tara

Thank you so much for all you did to make our day so special. It was so amazing how you had everything set up perfectly and effortless for us! It was a pleasure working with you!
