SERVICE GUIDE
2021

HEY, HI, *hello!*

I'M RENITA!

I love chocolate cake, funny movies, putting a smile on people's faces, and crossing off an item on my to-do list.

As a bride, bridesmaid, friend, and relative, I have witnessed and experienced the need to incorporate uniqueness from our own traditions, lifestyles, and visions into our personal events. I not only saw and felt the struggle of finding the services and items that met our needs, but found it difficult to obtain quality items and services that matched our means.

WHAT TO EXPECT

Step 1

Let's Chat!

Let's start by getting to know each other. During our initial conversation we will discuss your event and I will get some basic information about that day. This is also the opportunity for you to get to know me and to give you information on how we can help you!

Step 2

Let's Design!

Based on our consultation, I will draft an estimate for our services and cost for decor items. This will give you a general idea of costs and what is needed to execute your vision.

Step 3

Let's Map It Out!

After we make the decision that we are a good fit, we meet to really determine the look of the event, and everything we need to execute your vision. This includes vision boards, a venue visit, and a mock set-up.

Step 4

Let's Make It Happen!

This is the day! This is the day we will execute your vision and mood-boards to put that big smile on your face when you walk into the room. We will execute the complete set-up and breakdown so all you have to worry about is creating memories!

READY TO GO?

MAKE THE FIRST MOVE!

I can't wait to work with you.

No matter what stage of event planning you are in, we would love to work with you and help any way we can to provide you the piece-of-mind for your special day.
