

Relationships Transformed Premarital Virtual Counseling Prices

Three Month Custom Counseling Package - \$1999

You have specifically targeted opportunities that you want to concentrate on before your big day, giving you both peace of mind before you walk down the aisle. Allow me to get to know you both better by starting with an assessment followed by a recap of what your sessions will be focused on. Appointments will be scheduled to accommodate your schedules. 1hr sessions per week followed by exercises to help solidify what you learned the previous week.

Six Month In-Depth Pre Marriage Preparation - \$3,499

The wise couple prepares for a marriage and future success. After the honeymoon phase is over, challenging situations are sure to surface. These in-depth sessions will equip couples with handling big issues that would normally derail a couple's marriage that didn't take pre-marital counseling. These sessions include but are not limited to handling finances, communication, conflict resolution, spirituality, intimacy and a bonus section called *The Transformative Relationship Cycle* that will help your marriage progress to the next phase as you continue to evolve and grow as individuals, deepening your bond and keeping your relationship solid and sacred.

*For shorter or longer packages, please inquire with Michelle at michelle@relationshipstransformed.com. However, in order to see lasting results, I highly recommend a minimum of three months. While six months or longer will create an even stronger foundation for your marriage.
