MEET RACHEL KUHEL

OWNER | OPERATOR | BRIDAL HAIR EXPERT | LEAD MAKE-UP

I began my career as a creative natural, after winning 1st place for NCCA Fantasy Body-Art Competition in 2004, while still in cosmetology school. This led to my multiple licensing and professions pertaining to:

- salon/spa services
- bridal mastery
- advanced skin care
- expertise in holistic healing
- health coaching
- studies of home-birth midwifery
- **and *all things girl power*!**

I later opened my own luxury bridal experience after studying with **world-renowned beauty experts:**

Celebrity Artist: Kimberley Bosso | Bridal Specialist: Kristina Gasperas of London | Ana Bojana Nikolin Master & Educator | Best of Cleveland Bridal Company.

This is where I developed top tier techniques, hairstyles that last for days, and industry leading experience.

♥ I am ready to be your very own fairy godmother and give you the magical day you dream of.

♥ *As a genuine, compassionate person, I can communicate well with your bridal party and loved ones. I will know if someone is too shy to say something and be able to connect with their energy and vision.*

♥ I'm here to give you a relaxed, enjoyable, memorable experience. I promise that everyone will have nothing but happiness and lipstick on their face when my work is done.

♥ *Let me be your private artist, off-the-record bridesmaid, and hopefully a future friend!*
