PARTIAL WEDDING PLANNING

Partial wedding planning is for the couple who wants support for the final three to four months leading up to the wedding. This package includes some guidance on event design and is available at one of our preferred venues.

- Partial wedding planning begins with a comprehensive intake meeting to review progress toward wedding planning, review budget, identify what remaining vendors need to be selected and support with and beginning to build clarity around the couple's vision for their wedding day.
- Support with negotiating remaining vendor contracts
- Maintain ongoing contact with the vendor team at the venue and additional vendors and creatives involved in the wedding.
- Develop day-of schedule for the bride and groom.
- Attend up to three final vendor meetings of the couple's choice within San Diego County and maintain regular contact with the couple via email.
- Develop and provide checklists for the couple to support with managing individual wedding tasks.
- Support in the development of a wedding seating chart, floor plan, and table numbering

Packages begin at \$4,500

WEDDING MANAGEMENT

Wedding Management is for the couple that needs extra support for the final components of the wedding day to ensure a stress-free day.

This package is designed for weddings that occur at one of our preferred venues and for the couple that has completed most of the planning on their own.

Packages begin at \$3,000
