Congratulations on your engagement!

My name is Anne-Catrin and I'm a European wedding photographer who recently moved with my family from Germany to Orlando. I am thrilled to have the opportunity to share my passion for capturing memories with you.

I have been a wedding photographer for many years and travelled therefore around the world. My pictures have been featured in some of the most prestigious portals and magazines in Europe, including the German ELLE magazine. My style is a mix of classical and contemporary photography, which I believe is perfect for capturing the beauty and joy of weddings

I'm passionate about my job and I consider it an honor to be a part of creating memories that will last a lifetime. I am a natural people person and I love interacting with my clients to make sure that I capture exactly what they want in their wedding photos. My goal is to make every couple feel relaxed and comfortable in front of the camera, so that I can create images that truly reflect their personalities and their love for each other.

I believe that every wedding is unique, and I approach each event with a fresh perspective. I am committed to delivering high-quality images that tell the story of probably the most beautiful day in your life. I want to be your photographer and help you preserve the memories of your wedding for years to come.

I would be delighted to hear from you and discuss your photography needs in more detail. Please feel free to contact me if you have any questions or if you would like to schedule a consultation.

Best regards,  
Anne-Catrin
